## TECHNICAL DATA SHEET

# SVITOL EASY HOME

### - **PRODUCT DESCRIPTION**

Lubricant spray based on synthetic oils designed to be used in all home applications.

Easy to use, it is a non-drip oil and so does not soil, the pourer provided ensures greater precision and the 360° valve allows dispensing in all positions.

Effectively lubricates, ensuring easy flow between parts: it's perfect for all applications including hobbies, gardening, DIY and minor maintenance.

SVITOL EASY HOME is absolutely odorless, perfect in rooms of the house where an excessive odor or a persistent aroma could be annoying.

SVITOL EASY HOME is absolutely colorless, based on synthetic oils of high quality and purity.

Protects from corrosion, leaving a light oily film that avoids direct contact between metal and moisture.

### - **STORAGE**

Unopened and stored at room temperature at least 3 years

### - **PACKAGING**

Spray bottle  
Code 2388            200 ml  
Code 2395            50 ml

### - **NOTES**

For information on product safety, please consult Safety Data Sheets.

### - **FIELDS OF USE**

Perfect for lubricating: hinges, mechanisms and metal rails (for example: drawers, curtain rails, doors, shutters, swivel chairs, locks, up-and-over garage doors, gardening equipment etc.).

### - **METHOD OF USE**

Shake the bottle, spray a small quantity of product on the parts to be lubricated. For more precise applications, apply the dispenser straw.

### - **TECHNICAL SPECIFICATIONS**

- |                       |                |
|-----------------------|----------------|
| • Appearance          | Aerosol        |
| • Color               | Colorless      |
| • Odor                | Odorless       |
| • Density at 15°C     | 0.66 g/ml      |
| • Solubility in water | insoluble      |
| • Type of lubricant   | synthetic oils |
